Dear Parents and Carers,

At The Brook we have recently experienced the devastating impact of cancer and the bravery of those who fight it every day. As a school we want to support the amazing charity, Cancer Research and help save more lives. Therefore many of our staff members have signed up to Cancer Research's 10,000 steps a day for the whole of March to show our determination to 'Walk all over cancer'. We know how much the children love using their fitbits so now they can encourage us staff to use ours to walk more at school.

Please help us to raise funds that will find new research to combat this horrible illness by donating to our Just Giving page at

<https://fundraise.cancerresearchuk.org/page/the-brook-walks-all-over-cancer-206>

Please support us in any way you can and help us reach our target.

Yours sincerely,

Fi Dowley
