Collection

If you need to collect your child/children early please indicate this on your registration and we will inform you of the collection point.

Your child should be collected from their normal classroom at the end of the disco.

We will be operating a register system; your child will be checked into the hall at the beginning of the disco and back into their classrooms at the end. You will be required to sign for your child on collection.

If you do not want your child to attend the disco they will need to be collected at the normal time from their classroom.

Volunteers to help on the day

It is necessary to provide suitable adult supervision on the day. We have some volunteers from the Committee but we always need more.

If you can help you will need to be available from 2.45-4.45pm (until all the children have gone home). In general you will be needed to help fill 'tuck boxes', supervise the children in the hall and quiet rooms, apply tattoos and nail varnish and supply refreshments. We will need at least 2 volunteers from each class, but welcome as many people as possible.

Unfortunately if we do not have enough helpers we will not be able to run the disco.

If you can help us, please note your availability and contact details on the online form.

Many thanks
